A Fellowship Of Differents Showing
Scot McKnight in A Fellowship of Differents: Showing the World God's Design for Life Together, argues that our Christian lives are formed by our experiences in and with the church. And so, the shape of the church is of profound importance to understand and embrace because, like it or not, "churches determine the direction of our discipleship."

Start your review of A Fellowship of Differents: Showing the World God's Design for Life Together. Write a review. Mar 25, 2018 Rizello rated it it was amazing. Best book I have read in a very long time. The author talks about how church was meant to be a place where different people come together, not a place where everyone thinks the same.

A Fellowship of Differents: Showing the World God's Design ...

Our difference is not eliminated, for difference is the vitality of our fellowship." Overall, there is a clarion call to unity - not uniformity. Living together in the salad bowl has its challenges to be sure, but if we can allow for healthy "differents," perhaps the church can play a wonderful part in showing the world God's design for life together.

the World God's Design ...

The church is God's world-changing social experiment of bringing unlikes and differents to the table to share life with one another as a new kind of family. When this happens we show to the world what love, justice, peace, reconciliation, and life together is designed by God to be.

A Fellowship of Differents: Showing the World God's Design ...

Church is all contained within one or two hours on Sunday morning. The church the Apostle Paul talks about is designed by God to be a fellowship of difference--how people differ socially--and differents--how people differ culturally.
