### **What is above the fold? - Definition from WhatIs.com**

Above The Fold What Does Above the Fold Mean? In the early days of publishing, 'above the fold' was a term used for content that appeared on the top half of the front page of a newspaper.

### **Above The Fold - Optimizely**

Above the fold is the upper half of the front page of a newspaper or tabloid where an important news story or photograph is often located. Papers are often displayed to customers folded so that only the top half of the front page is visible. Thus, an item that is "above the fold" may be one that the editors feel will entice people to buy the paper. Alternatively, it reflects a decision, on the part of the editors, that the article is one of the day's most important. By extension, the space above

### **Above the fold - Wikipedia**

Above the fold is an important principle in web design. It describes the part of a website that can be seen directly under the page's call to action. Even though most studies now assume that users (to a certain extent) are used to scrolling, many marketers are convinced that important content still belongs at the top.

### **What is Above the Fold? | Content Marketing Glossary ...**

What Is Above The Fold? The concept of above the fold goes back centuries, to the beginnings of the printing press. Newspapers, due to the way they were printed on large sheets of paper, were folded once they hit the news-stands. This led to only the top half of the paper is visible to the passer-by.
