But the recurring theme is how the E Company survivors bonded and, after the war, did form that "band of brothers" through the remainder of their lives. In this age of faux patriotism and gun-totin' infantry wannabees the story of E Company is the real deal, a story of real people, all human, all flawed and less flawed.

This is the story of the men who fought, of the martinet they hated who trained them well, and of the captain they loved who led them. E Company was a company of men who went hungry, froze, and died for each other, a company that took 150 percent casualties, a company where the Purple Heart was not a medal—it was a badge of office.
