Without Conscience

Robert D. Hare's "Without Conscience" is a chilling book. In his practice and research, he has developed the Psychopathy Checklist-- a tool that is reliable and valid with proper usage. Without Conscience argues that both genetics and environment play a role in the expression of psychopathy, but psychopaths are not created by poor parenting alone.

Without Conscience: The Disturbing World of the ...

In Without Conscience, Robert Hare posits that there are some 2million psychopaths in the United States (and approximately 20% of the prison population is comprised of psychopaths). It's something that doesn't necessarily correlate with childhood abuse; some people are just bad, down in their bones.
