### **Yookoso! Continuing With Contemporary Japanese, Volume 2 ...**

Continuing with Contemporary Japanese is the second volume of a two-volume series for beginning Japanese courses. Based on modern principles of second-language acquisition, Yookoso! was the first beginning Japanese text to integrate the teaching of all four language skills (listening, speaking, reading, and writing) and offer a full complement of ancillary materials. In this text, grammar is treated as a tool for developing the ability to communicate in Japanese, rather than as a focal point.

### **Japan - Yookoso!**

Yookoso is a popular two-volume textbook that is used in many U.S. universities' Japanese language curriculum. Overall, they are solid books for learning the basic grammatical structure of Japanese but they are a bit heavy (literally not figuratively). Thus, I decided to compile the key points covered and make them available here on the Web.
